### VENUE

Telford International Centre  
St Quentin Gate  
Telford, Shropshire TF3 4JH  
Tel: 01952 281500

Not only has the iconic International Centre, Telford, secured a well-deserved place as one of the top five Convention Centres in the UK – alongside Manchester Central, the NEC, and Liverpool – but with the £250 million Heart of Telford Southwater development well underway, it's also experiencing somewhat of a renaissance.

The Telford International Centre now boasts a new event suite for up to 1,500 delegates, syndicate and meeting rooms, a public concourse and gallery area, plus plenty of car parking. And just outside The International Centre, Telford, a vibrant and aspirational pedestrianised area is being developed, packed full of high-end eateries, vibrant bars and fabulous leisure venues, with purpose-designed quiet outside areas to sit and contemplate and public squares for smaller events and activities.

Two new hotels, a brand new multi storey car park, and a stunning civic centre encompassing public areas and a cutting-edge public library and learning centre will ensure that there really is something for every delegate, event attendee and visitor.

## EXHIBITORS CODE OF CONDUCT

The BVNA acknowledges that the success of the Congress can only be maintained through a careful balance of CPD, the success of the Exhibition and enjoyment for delegates and exhibitors alike. The BVNA therefore has the following exhibitor's code of conduct guidelines:

### CONSIDERATION FOR FELLOW EXHIBITORS

The Exhibition is open for 3 days of intense and hard work for all exhibitors. BVNA would ask that when planning demonstrations or attractions on your stand that you give consideration to other exhibitors, especially those in close proximity to your stand. BVNA reserves the right to ask any exhibitor behaving in an inconsiderate manner, to leave the Exhibition.

### CONSUMPTION OF ALCOHOL

Other than during Happy Hour from 16:30 to 17:30 on Friday 6 October, exhibitors need written permission from the organisers to serve or consume alcohol at their stand. Any exhibitor wishing to host a private event, with alcohol being served or consumed, on their stand should make a request in writing to the organisers prior to the event. Any exhibitors who are not acting responsibly with alcohol will be asked to leave the event.

If you are planning to serve food or drinks from your stand, this will need to be booked via Southwater Event Group, Telford International Centre. Bringing items from outside the venue may incur a corkage charge.

### LEAFLETING

BVNA have a clear policy not to allow non-exhibitors permission to canvass either delegates or exhibitors. Anybody found in the exhibition handing out promotional materials etc. who is not an exhibitor will be asked to leave. We would be extremely grateful if exhibitors could notify the BVNA staff immediately if they suspect that someone is breaching these conditions. BVNA would also like to remind attending exhibitors that leafletting within common areas around the venue is not permitted. With so many companies exhibiting it is not possible to allow companies to place leaflets within these areas and appreciate your cooperation with this matter.

## **STAND MANNING**

The exhibition opening times are clearly laid out in the Exhibitor's Pack. Stands are required to be manned at all times whilst the exhibition is open to delegates.

## **STAND SHARING**

Exhibiting companies are reminded that stand sharing is not permitted and only the company contracted for the stand may advertise from within it.

## **EXHIBITORS BADGES**

Please ensure that these are used for bona-fide company members only as checks will be made. If someone is found using the badges fraudulently, the person will be asked to leave the Congress and action will be taken against the company concerned. **DO NOT** accept requests from representatives of other companies or individuals for Exhibitor Badges. BVNA would be appreciative if exhibitors could be vigilant and report anyone, they believe, to be using badges fraudulently (**in particular non-exhibiting companies using delegate badges**).

## **LIVE ANIMALS**

Amongst BVNA's key values are both human and animal wellbeing. We would like to remind delegates and exhibitors that no animals are permitted to join us at BVNA Congress 2026 without prior express permission from BVNA. Thank you in advance for adhering to this policy.

In order to uphold BVNA values and safeguard animal welfare during BVNA Congress, we have an Animal Welfare Advocate role to support our team throughout the event. Our Advocate will be on hand to monitor the wellbeing of any animals which may be in attendance, as well as to ensure that these animals are only present with BVNA permission.

If you have any queries, observations or concerns relating to animal welfare at the event, please pop along to the BVNA stand and we will be happy to have a chat.
